<input type="checkbox"/>	Map
<input type="checkbox"/>	Collect all passwords and important docs on thumb drive
<input type="checkbox"/>	Erase hard drives
<input type="checkbox"/>	Notify emergency contacts of departure, if meeting them
<input type="checkbox"/>	Stock vehicle: fuel, water, food, blankets, guns, ammo
<input type="checkbox"/>	Hide valuables, if you might return
<input type="checkbox"/>	Release pets, livestock
<input type="checkbox"/>	Empty fridge, freezers
<input type="checkbox"/>	Prepare Medical Info forms, esp. listing critical medical conditions, meds, and emergency contacts
<input type="checkbox"/>	Shut off water main
<input type="checkbox"/>	Shut off electrical main
<input type="checkbox"/>	Close security shutters
<input type="checkbox"/>	Lock all doors

Emergency Contacts

Here you should list contact information for other members of your group. For example, if you give one of these forms to your son, he'll need to know how to reach your friend Bob in case you're unavailable. You should also include people with special skills, such as your friend or neighbor who is a doctor, mechanic, or competitive shooter.
